NEPAL STAMPS AND POSTAL HISTORY

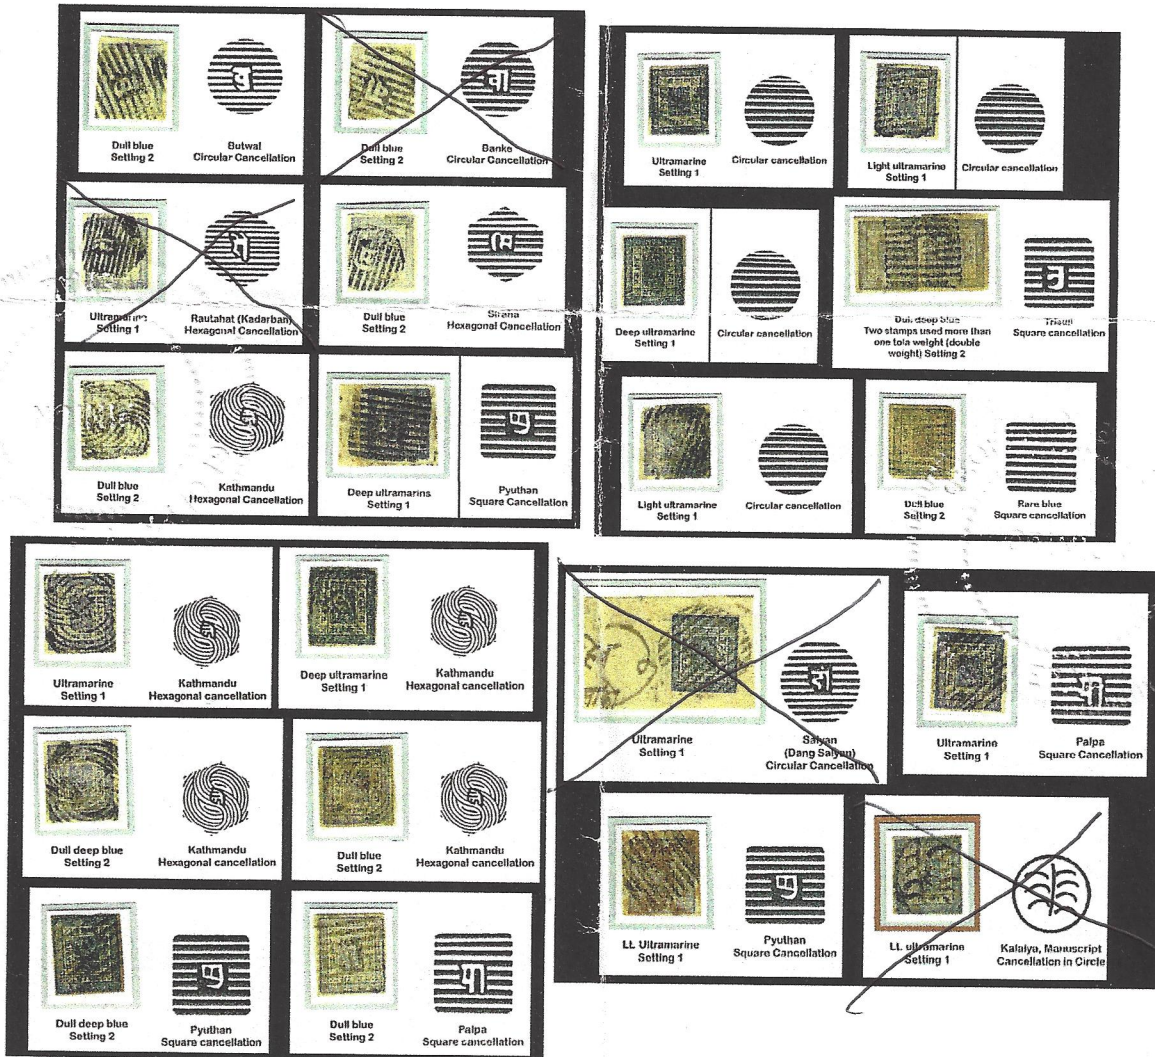

OPINION

Date: September 22, 2011

Number: 0111

In my opinion the Nepalese stamps (illustrated below) are genuine commercially used 1881 First Issue 1a Blue (SG 4 on European White Wove Paper, Imperf). 23 stamps (21 singles & 1 pair, (on album pages) are from both Setting I & II) cancelled with a variety of cancels (correctly identified). A few faults, but generally F/VF Condition.
